

Microsoft Body of Knowledge 2025

Foundation level syllabus

Overview

The Microsoft Body of Knowledge 2025 Foundation exam is aimed at individuals who want to show that they have a basic knowledge across the licensing of Microsoft's desktop and server workloads with the emphasis on cloud solutions. The exam consists of 30 questions and must be completed in 40 minutes. Candidates with a passing score of 70% or above are awarded a digitally verifiable [Credly badge](#) demonstrating their ability to recall key licensing facts and apply their knowledge in real-world customer licensing scenarios.

This certification is especially useful in career development programs for sales, deployment, procurement, licensing specialist, and SAM professionals.
