Microsoft Licensing Body of Knowledge 2025
Power Platform exam

Overview

The Microsoft Licensing Body of Knowledge 2025 Power Platform exam tests licensing knowledge across the full range of Microsoft's Power Platform products. Successful candidates need to achieve a mark of 70% or higher and will be awarded a digitally verifiable Credly badge.

Availability

Via a Licensing School subscription

If you are a Licensing School Middle Schooler or High Schooler, then you will have received access codes to take this exam. If you can't find your codes, please email exams@licensingschool.co.uk. Middle Schoolers have single shot codes, and High Schoolers have triple shot codes.

Via the Licensing School shop

Single shot and triple shot exam codes are available to purchase from the Licensing School shop. Single shot exams cost £75, and triple shot exams cost £150. Both exam codes include 2 months' free access to LicenseVerse.

Structure

There are six different sections in the exam covering each of the Power Platform products, and then a scenario which tests across all of the products to see if you can apply your knowledge. In total, there are 50 questions to be completed in 60 minutes. You get your results as soon as you've finished the exam, together with a report to show you how you scored in each section.

Preparing for the exam

Exam attempts

Single shot exams give you one attempt at the exam, and triple shots give you three attempts. If you have a triple shot exam and pass at your first attempt, then the other attempts disappear. If you have a triple shot exam, consider using one attempt to benchmark your current knowledge. If you don't pass, you'll get a report to help you to see which areas you need to work on.

Checking your knowledge

If you want to test a specific area of your knowledge, we recommend that you use the Licensing Scholar exams. These are free to take as many times as you like, and are indicative of the type of questions that you will find in the Body of Knowledge exam:

- Power BI licensing
- Power Apps licensing
- Power Pages licensing
- Power Automate licensing
- AI Builder licensing
- Copilot Studio licensing

Filling in your knowledge gaps

If you identify gaps in your knowledge, we recommend that you use LicenseVerse to give you the information that you need. All Licensing School subscribers have access to LicenseVerse, and if you buy an exam outside of a subscription, then you have two months' free access:

- Power BI
- Power Apps
- Power Pages
- Power Automate
- AI Builder
- Copilot Studio
